Rooms

The Basics

Like a good orchestra, the different sections of Disney's All-Star Music Resort work together to create a **sweet symphony of accommodations...** the **family suites** sleep up to **six adults** and feature **two bathrooms** and **separate sleeping areas**.

This larger-than-life Disney Resorts Collection hotel is home to the **iconic** Grand Piano Pool!

The **rooms were recently renovated** to include wood laminate flooring, two queen-sized beds (one is a table-bed!), and a **spacious bathroom** area **with loads of storage space**.

If your child has the singing voice of many Disney Princesses and **loves all things musical**, a good choice would be Disney's All-Star Music Resort.
