# Tips from the Panel

If you are wanting a splashtastic good time on your next Walt Disney World vacation, **it doesn't get any better than Stormalong Bay at Disney's Beach Club Resort!** Many Guests feel that this is the best resort pool on property and I have to agree. With **a relaxing lazy river, a thrilling pirate-themed waterslide, multiple hot tubs, a sandy beach for kids to play in, plus a sandy bottom pool itself,** there is something for every member of the family. My youngest and I had the best time on our last visit swirling around and around in the whirlpool!

**Cabanas make the perfect home base** for a day at the pool, complete with comfy furniture, shade, pool towels, drinks and snacks, and even a television and charging outlets!

My family and I recently had dinner at **Cape May Café** and **love the new menu and family style offerings.** My littlest Mouseketeer ate more than even Gaston and he's been telling our family that Cape May Café is his new favorite restaurant (hint: we let him have dessert).

You'll find a small-sized refrigerator (in the rooms) **perfect for keeping a few essentials on hand.**

**Such a fabulous location, with access to the Disney Skyliner,** the International Gateway entrance to EPCOT, and the **dining and entertainment of Disney's BoardWalk just a short walk away.**
