The Basics

I stayed at the Club Level before and it is absolutely amazing!

When you arrive at the resort, you will be escorted up to the 12th floor, where the Atrium Club Level is located, and then introduced to a concierge Cast Member who will help you get settled in.

With its **convenient walkway to Magic Kingdom Park and great onsite dining options**, Bay Lake Tower at Disney's Contemporary Resort is one of my favorite Disney Vacation Club properties.

My family has a whole range of tastes, from adventurous palates to very picky eaters, which makes Disney's Contemporary Resort the perfect stop for us — **it has so many choices!**

Steakhouse 71 is known for its Sauce Flight, which comes with seven signature steak sauces (my favorite is the Wild Mushroom). **If you can save room for dessert, try the Steakhouse 71 Chocolate Cake; its 15 layers represent the 15 stories of the Contemporary Resort!**
