COVID Scenarios

We understand that it is important **you** know what cover is in place if Coronavirus or Covid-19 affects **your trip**.

We hope the scenarios below explain some of what **we** do or don't cover:

Your policy will cover **you** subject to the terms and conditions, if **you** need to cancel **your trip** because:

- **You** or a **close relative** are diagnosed with or have contracted COVID-19.
- **You** are required to self-isolate, subject to a positive test result/confirmation from a GP, or notification from the Track & Trace system.

- **You** aren't able to produce the required vaccine certificates, medical tests/documents.

About your policy wording

The Insurance Contract

If **you** have any queries about **your** cover, **you** can call **us** on the number listed in the Important telephone numbers' section.

Please make sure **you** have **your** policy number when **you** call. **We** want **you** to get the most from **your** policy and to do this **you** should:

- read **your** policy wording and make sure **you** are covered for the sort of losses/incidents **you** need or require cover for.
- make sure that **you** understand the exclusions and conditions which apply to **your** policy because if **you** do not meet these conditions it may affect any claim **you** make.

Remember, no policy covers everything. **We** do not cover certain things such as, but not limited to:

- **Pre-existing medical conditions** as described in the **Pre-existing medical conditions** section (unless **you** have contacted **us** and **we** have accepted in writing).
 - If **you** fail to declare any **pre-existing medical conditions** **we** may refuse to deal with **your** claim or reduce the amount of any relevant claims, if a claim is related directly or indirectly to an undisclosed **pre-existing medical condition(s)**.
- Losses that **we** do not state are specifically covered.
- Circumstances known to **you** before **you** purchased this insurance which could reasonably have been expected to lead to a claim.
- Any **trip** that has already begun when **you** purchased this insurance.
- Losses which occur outside of a valid **trip** (with the exception of Section 1 – Cancelling or cutting short a **trip**, see the definition of **Insurance period** for full details).

The intention of this policy is to cover the entire **trip**. The policy will need to cover the date that **your trip** begins until the date **you** return to the **UK** inclusive.

The things which are not covered by **your** policy are stated:

- In the 'General exclusions applying to your policy'.
- Under 'What IS NOT covered' in each section of cover.

If **we** do not state that something is covered, **you** should assume that it is not covered.

Introduction

This is **your** travel insurance policy. It contains details of what is covered, what is not covered and the conditions for each **insured person** and is the basis on which all claims will be settled.

It is confirmed by the issue of the policy schedule which should be read in conjunction with this policy wording.

In return for having accepted **your** premium **we** will provide insurance in accordance with the sections of **your** policy as referred to in **your** policy schedule.

The policy schedule is part of the policy.

If **you** need to make any changes to the details contained in **your** policy schedule, **you** should contact **us** soon as possible. **We** will then advise if those changes can be made and whether any additional premium is required.
